

The First Annual Conewango Creek Clean Up

In an effort to help keep our watershed clean we have partnered with Conewango Creek Watershed Association, to host a creek clean up on the weekend of September 12 and 13th.

We will supply canoes, kayaks and transportation. Feel free to bring your own kayak or canoe as well.

Our goal is to pick up as much trash as we can from our livery to the Warren mall.

We need all the help we can get to make this a successful project and make a positive impact on our local area. If you can donate items such as gloves, trash bags, use of a truck to haul debris from pick up sites to removal sites, please contact us at

Kayaker45@yahoo.com

We also need volunteers to walk along the banks in places to remove trash and help pick up heavy items.

So get your clubs, groups, and friends together

This is your chance to make a difference in your local community and make a positive impact on your local environment, come on out and show you care, to volunteer contact us at kayaker45@yahoo.com
